

ICARIT 2026

INTERNATIONAL CONFERENCE ON APPLIED RESEARCH AND
INFORMATION TECHNOLOGIES (In Conjunction with RAISE 2026)

14-16
July 2026

SFAX
TUNISIA

Website: www.icarit.org

Committee

General Chairs

Bassem HADJ KACEM FSTSB – TUNISIA

Omar CHEIKHROUHOU ENETCOM – TUNISIA

Program Chairs

Kais LOUKIL ESCS- TUNISIA

Mouna BAKLOUTI ENIS – TUNISIA

Maher REBAI PARIS.U – France

Haykel SNOUSSI HARVARD University – USA

Publication Chairs

Olfa GADDOUR ENIS – TUNISIA

Mohamed ABID ENIS – Tunisie/UBS – FRANCE

Sponsorship Committee

Yassine AYDI ISAMS– TUNISIA

Maissa Elleuch CRNS – TUNISIA

Publicity Chairs

Moez KRICHEN ALBAHA University - KSA

Zied KCHAW FSTSB–TUNISIA

Fatma BELGHITH ENETCOM – TUNISIA

Local Committee

Raïda HENTATI ENETCOM –TUNISIA

Farah KHEMAKHEM PHD-S,ENIS –TUNISIA

Guest speakers

Pr. Adel M. ALIMI ENIS-TUNISIA

Pr. Anis KOUBAA ALFAISAL University- KSA

Pr. Souhail DHOUB ISGIS-TUNISIA

Important dates:

- Paper submission deadline: 15 June 2026

- Notification of acceptance: 30 June 2026

- Registration: 7 July 2026

CALL FOR PAPERS

ICARTECH 2026 is an international conference bringing together researchers and practitioners from academia and industry to present and discuss advances in Artificial Intelligence, cyber-security, and high-performance systems.

Topics of interest include (but are not limited to):

- Artificial intelligence from edge to cloud
- Explainable approaches for deep learning architectures(LLM, Transformers, GenAI)
- IoT, Blockchain, Agent security and Cyber-Security
- Autonomous & Intelligent Systems
- Security, safety, reliability, and sustainability
- Emerging technologies and future trends
- Case studies in domains such as healthcare, Agriculture, Arabic NLP and Finance

Interdisciplinary contributions are strongly encouraged, with the goal of making AI systems more transparent, efficient, and scalable in practice
